That's great news. Would it be beneficial to have a check-in call next week? Maybe Thursday?

We have received FL's package but are still in the process of completeness review and editing FRN. Ideally the FRN will be signed and sent for publication routing next week.

Hey Kelly, thanks for the list. This will help us ultimately set up the electronic comment-response system.

Any update on FL's submission?

Thanks, Joe

Jan, Joe, Laura,

I've attached a rough first take on comment bins for coding. Please let me know if you need anything else at this time.
